

# OEM Integration Made Simple

## Audi and Autosoft DMS

Audi

Autosoft's DMS has been approved by Volkswagen of America/Audi of America, Inc. for integration with Audi's dealer communications system. **Improve operational efficiencies with significant time savings and error reductions.**

### Accounting Integrations

» **Financial Statements:** Autosoft DMS enables you to compile, prepare, and print monthly and year-end Audi financial statements from your general ledger and download them directly to Volkswagen of America/Audi.

### Service Integrations

» **Audi Warranty:** Generate, review, and submit warranty claims to Volkswagen of America/Audi.

» **Labor Time Guides:** Search for labor operations and pull the labor operations to the warranty repair order.

### Parts Integrations

» **Parts Interface:** Transmit parts orders and returns to Volkswagen of America/Audi and receive answerbacks to assist with parts stocking and tracking.

“ This integration between Audi and its dealers is part of our continued commitment to bring innovative technologies to market that help our customers work more effectively. ”
